

Dun & Bradstreet's Contractor Management Portal

SYSTEM USER GUIDE

dun&bradstreet

Introduction

The Contractor Management Portal is a simple Web interface that allows S&L government agencies or vendors wishing to do business with state and local agencies to purchase an SQR (Supplier Qualifier Report) or IBIR (International Business Information Report) in countries where a SQR report is not available, via a Credit Card Transaction.

This enables agencies to automate supplier registration, vet and evaluate existing and potential new suppliers.

For additional help, please contact your D&B Government Representative, or contact D&B's Customer Service Center at 800-424-2495.

TO ACCESS THE D&B'S CONTRACTOR MANAGEMENT PORTAL (CMP), PLEASE CLICK ON THE BELOW LINK OR CUT AND PASTE THE FOLLOWING URL INTO YOUR BROWSER:

WELCOME

D&B's Contractor Management Portal (CMP) allows for a contracting agent to perform supplier evaluations responsibility determinations by purchasing a Supplier Qualifier Report on an existing or potential vendor. This portal is also available for use by a contracting vendor, who wants to submit their own company's Supplier Qualifier Report to a government agency for consideration. To begin your state contractor evaluation or vendor verification process, please register as a new user on the left hand side of this page.
