FOR THE WORK YOU DO.

With powerful segmentation tools and personalised alerts, your entire team will be able to zero in on what's important for the business—be it data on an individual company or the amount of risk across your entire portfolio.

WHEN WILL YOU USE D&B CREDIT?

WHEN YOU NEED TO MAKE A CREDIT DECISION:

- Do it simply, using a modern and intuitive interface with simple search and the ability to filter results to the exact company you are looking for.
- Do it confidently, relying on the world's largest commercial database, easy-to-understand analytics and scores, and third-party web and social information.
- Do it efficiently, with streamlined reports containing critical summary information, and the ability to navigate deeper with just a click.

WHEN YOU NEED TO MANAGE AND SEGMENT YOUR PORTFOLIO OF ACCOUNTS:

- Get a clear and customisable view, with tagging that lets you flexibly organize, monitor and report on your customer base.
- Add customers to your portfolio and segment them by the characteristics that are important to you.
- View trends over the past 12 months in summary or detail form and filter your portfolio based on those criteria.

WHEN YOU NEED TO MONITOR AND MANAGE ACCOUNT RISK:

- Configure as many alert profiles as you need to effectively monitor customer financial health and to protect your business.
- Have alerts consolidated into a daily email as well as added to your portfolio dashboard, homepage and credit reports.
- View a detailed page highlighting the history of alerts for any business you're tracking.
- Enhance corporate governance by ensuring that all accounts are monitored consistently according to your corporate standards.

WHEN YOU NEED TO DO BUSINESS AROUND THE WORLD:

- Rely on normalisation of global data for scoring and analytics.
- Get multi-language support.
- Utilise a multiple currency database.
- Access credit reports in 200+ countries and territories.
- New! Country Insight Reports, integrated directly into D&B Credit, provide a detailed analysis of the underlying risks and opportunities in a specific market.
